

Rob Cannings' Publications

July 2013

Publications in Refereed Journals

1. Cannings, R.A. 1974. Another record of the Flammulated Owl in Canada. *Canadian Field-Naturalist* 88(2): 234-235.
2. Cannings, R.A. 1975. A new species of *Chironomus* (Diptera: Chironomidae) from saline lakes in British Columbia. *The Canadian Entomologist* 107: 447-450.
3. Cannings, R.A. 1975. Some Chironomidae (Diptera) new to British Columbia and Canada. *Journal of the Entomological Society of British Columbia* 72: 23-25.
4. Cannings, R.A. 1975. The Parasitic Jaeger in the British Columbia Interior. *Syesis* 8: 395-396.
5. Scudder, G.G.E., R.A. Cannings and K.M. Stuart. 1976. An annotated checklist of the Odonata (Insecta) of British Columbia. *Syesis* 9: 143-162.
6. Cannings, R.A. and G.G.E. Scudder. 1978. The littoral Chironomidae (Diptera) of saline lakes in central British Columbia. *Canadian Journal of Zoology* 56: 1144-1155.
7. Cannings, R.A. 1978. The distribution of *Tanypteryx hageni* Selys (Odonata: Petaluridae) in British Columbia. *Journal of the Entomological Society of British Columbia* 75: 18-19.
8. Cannings, R.A. and G.G.E. Scudder. 1979. The phenology of the Chironomidae (Diptera) in saline lakes in central British Columbia. *Verh. Internat. Verein. Limnol.* 20: 2641-2646.
9. Cannings, R.A. and G.P. Doerksen. 1979. The larva of *Ischnura erratica* Calvert (Odonata: Coenagrionidae) with ecological notes on the species. *The Canadian Entomologist* 111(3): 327-331.
10. Cannings, R.A. and R.J. Cannings. 1979. A northerly range extension for *Cramptonomyia spenceri* Alexander (Diptera: Pachyneuridae). *Journal of the Entomological Society of British Columbia* 76: 16.
11. Cannings, R.A., S.G. Cannings and R.J. Cannings. 1980. The distribution of the genus *Lestes* in a saline lake series in central British Columbia, Canada (Zygoptera: Lestidae). *Odonatologica* 9(1): 19-28.
12. Cannings, S.G. and R.A. Cannings. 1980. The larva of *Coenagrion interrogatum* (Odonata: Coenagrionidae), with notes on the species in the Yukon. *The Canadian Entomologist* 112: 438-441.
13. Cannings, R.A. 1980. New distributional records of Odonata from the Province of

Newfoundland, Canada. *Notulae odonatologicae* 1(5): 88.

14. Cannings, R.A. 1980. Some Odonata from the Crowsnest Pass Region, Alberta, Canada. *Notulae odonatologicae* 1(5): 88-89.

15. Paulson, D.R. and R.A. Cannings. 1980. Distribution, natural history and relationships of *Ischnura erratica* Calvert (Zygoptera: Coenagrionidae). *Odonatologica* 9(2): 147-153.

16. Cannings, R.A. 1980. Ecological notes on *Sympetrum madidum* (Hagen) in British Columbia, Canada (Anisoptera: Libellulidae). *Notulae odonatologicae* 1(6): 97-99.

17. Cannings, R.A. 1980. *Dasyhelia oppressa* (Ceratopogonidae) and *Mycetobia divergens* (Anisopodidae): two Diptera new to British Columbia. *Journal of the Entomological Society of British Columbia* 77: 37.

18. Cannings, R.A. 1981. The larva of *Sympetrum madidum* (Hagen) (Odonata: Libellulidae). *Pan-Pacific Entomologist* 57(2): 341-346.

19. Summerbell, R.C. and R.A. Cannings. 1981. Fungi and *Brillia retifinis* (Diptera: Chironomidae) in the decomposition of conifer leaves in a British Columbia stream. *Syysis* 14: 125-130.

20. Cannings, R.A. 1982. Obituary: George P. Doerksen. *Odonatologica* 11(1): 59-62.

21. Cannings, R.A. 1982. Notes on the biology of *Aeshna sitchensis* Hagen (Anisoptera: Aeshnidae). *Odonatologica* 11(3): 219-223.

22. Cannings, R.A. 1982. The larvae of the *Tarnetrum* subgenus of *Sympetrum* with a description of the larva of *Sympetrum nigrocreatum* Calvert (Odonata: Libellulidae). *Advances in Odonatology* 1: 9-14.

23. Cannings, R.A. and S.G. Cannings. 1983. Odonata collected in Banff National Park, Alberta, Canada, during the Seventh International Symposium of Odonatology. *Notulae odonatologicae* 2(2): 23-24.

24. Cannings, R.A. and S.G. Cannings. 1983. The Odonata of the Brooks Peninsula, Vancouver Island, British Columbia. *Journal of the Entomological Society of British Columbia* 80: 46-51.

25. Cannings, R.A. 1983. *Libellula subornata* (Odonata: Libellulidae) in Canada. *Journal of the Entomological Society of British Columbia* 80: 54-55.

26. Cannings, R.A. 1984. Noteworthy Odonata collected by participants in the Seventh International Symposium of Odonatology. *Notulae odonatologicae* 2(4): 53-55.

27. Cannings, S.G. and R.A. Cannings. 1985. The Larva of *Somatochlora sahlbergi* Trybom (Odonata: Corduliidae) with notes on the species in the Yukon Territory, Canada. *Odonatologica*

14(4): 319-330.

28. Cannings, R.A. and S.G. Cannings. 1987. The Odonata of some saline lakes in British Columbia, Canada: ecological distribution and zoogeography. *Advances in Odonatology* 3: 7-21.

29. Cannings, R.A. and J.G. Fisher. 1987. *Ptilodactyla serricollis* (Coleoptera: Ptilodactylidae) in British Columbia. *Journal of the Entomological Society of British Columbia* 84: 52.

30. Cannings, R.A. 1987. The Ground Mantis, *Litaneutria minor* (Dictyoptera: Mantidae), in British Columbia. *Journal of the Entomological Society of British Columbia* 84: 64-65.

31. Cannings, R.A. 1988. *Pantala hymenaea* (Say) (Anisoptera: Libellulidae) new to British Columbia, Canada, with notes on its status in the northwestern United States. *Notulae odonatologicae* 3(2): 31-32.

32. Cannings, R.A. 1989. The Robber Flies (Diptera: Asilidae) of a *Festuca* grassland in the Okanagan Valley, British Columbia. *Journal of the Entomological Society of British Columbia* 86: 14-26.

33. Cannings, R.A. 1989. *Enallagma basidens* Calvert, a dragonfly new to Canada, with notes on the expansion of its range in North America (Zygoptera: Coenagrionidae). *Notulae odonatologicae* 3(4): 53-55.

34. Cannings, R.A. 1989. An Asian Hornet, *Vespa simillima xanthoptera* (Hymenoptera: Vespidae) in North America. *Journal of the Entomological Society of British Columbia* 86: 91.

35. Cannings, R.A. and C.S. Guppy. 1989. Glover's Silkmoth, *Hyalophora gloveri* (Strecker) (Lepidoptera: Saturniidae), new to British Columbia. *Journal of the Entomological Society of British Columbia* 86: 89-90.

36. Hebda, R.J., B.G. Warner, and R.A. Cannings. 1990. Pollen, plant macrofossils, and insects from fossil woodrat (*Neotoma cinerea*) middens in British Columbia. *Geographie physique et Quaternaire* 44(2): 227-234.

37. Cannings, S.G., R.A. Cannings, and R.J. Cannings. 1991. The distribution of the dragonflies (Insecta: Odonata) of the Yukon Territory, Canada, with notes on ecology and behaviour. *Royal British Columbia Museum Contributions to Natural Science* 13: 1-26.

38. Cannings, R.A. and R.W. Garrison. 1991. *Sympetrum signiferum*, a new species of dragonfly (Odonata: Libellulidae) from western Mexico and Arizona. *Annals of the Entomological Society of America* 84: 474-479.

39. Cannings, R.A. 1993. New synonymy of *Rhadiurgus variabilis* (Zetterstedt) (Diptera: Asilidae) with notes on morphology, natural history, and geographical variation. *The Canadian Entomologist* 125: 337-354.

40. Charlton, R.E. and R.A. Cannings. 1993. The larva of *Williamsonia fletcheri* Williamson (Anisoptera: Corduliidae). *Odonatologica* 22: 335-343.
41. Cannings, S.G. and R.A. Cannings. 1994. The Odonata of northern Cordilleran peatlands. *Memoirs of the Entomological Society of Canada*. 169: 89-110.
42. Cannings, R.A. 1994. Robber Flies (Diptera: Asilidae) new to Canada, British Columbia, Yukon, and the Northwest Territories with notes on distribution and habitat. *Journal of the Entomological Society of British Columbia*. 91: 19-26.
43. Cannings, R.A. 1996. The status and relationship of *Lasiopogon montanus* Schiner and *L. bellardii* Jaenicke (Diptera: Asilidae), two common robber flies from the mountains of Western and Central Europe. *Entomologica scandinavica* 27: 347-359.
44. Cannings, R.A. 1996. The Blue Darners: dragonflies of the genus *Aeshna* in British Columbia. *Cordillera* 3 (1): 28-38.
45. Cannings, R.A. 1997. *Tramea lacerata* Hagen new to British Columbia, Canada, with notes on its status in the northwestern United States (Anisoptera: Libellulidae). *Notulae odonatologicae* 4 (9): 148-149.
46. Kenner, R.D., R.A. Cannings and S.G. Cannings. 2000. The larva of *Leucorrhinia patricia* Walker (Odonata: Libellulidae). *International Journal of Odonatology* 3(1): 1-10.
47. Cannings, R.A., S.G. Cannings and G.G.E. Scudder. 2001. Insect Collections, Surveys and Conservation in British Columbia in the 20th Century. *Journal of the Entomological Society of British Columbia* 98: 17-32.
48. Cannings, R.A. and G.G.E. Scudder. 2001. An overview of systematics studies concerning the insect fauna of British Columbia. *Journal of the Entomological Society of British Columbia* 98: 33-60.
49. Scudder, G.G.E., K.M. Needham, R.D. Kenner, R.A. Cannings and S.G. Cannings. 2001. Aquatic insects in British Columbia: 100 years of study. *Journal of the Entomological Society of British Columbia* 98: 61-82.
50. Simaika, J.P. and R.A. Cannings. 2004. *Lestes disjunctus* Selys and *L. forcipatus* Rambur (Odonata: Lestidae): Some Solutions for Identification. *Journal of the Entomological Society of BC* 101: 131-140.
51. Borkent, C.J. and R.A. Cannings. 2004. *Polistes dominulus* (Christ) (Hymenoptera: Vespidae: Polistinae) in British Columbia: First collection records of an invasive European paper wasp in Canada. *Journal of the Entomological Society of British Columbia* 101: 149-150.
52. Cannings, R.A., S.G. Cannings, L.R. Ramsay and G.E. Hutchings. 2005. Four species of Odonata new to British Columbia, Canada. *Notulae odonatologicae* 6(5): 45-49.

53. Catling, P.M., R.A. Cannings and P.M. Brunelle. 2005. An annotated checklist of the Odonata of Canada. *Bulletin of American Odonatology* 9(1): 1-20.
54. Copley, C. and R.A. Cannings. 2005. Notes on the status of the Eurasian moths *Noctua pronuba* and *N. comes* (Lepidoptera: Noctuidae): on Vancouver Island, British Columbia. *Journal of the Entomological Society of British Columbia* 102: 83-84.
55. Cannings, R.A. and J.P. Simaika. 2005. *Lestes disjunctus* Selys and *L. forcipatus* Rambur (Odonata: Lestidae): An evaluation of status and distribution in British Columbia. *Journal of the Entomological Society of British Columbia* 102: 57-63.
56. Simaika, J.P. and R.A. Cannings. 2006. The Odonata of Hamilton Marsh, Vancouver Island, British Columbia, Canada. *Notulae odonatologicae* 6(7): 72-79.
57. Cannings, R.A. and S.G. Cannings. 2006. The Mantispidae (Insecta: Neuroptera) of Canada, with notes on morphology, ecology and distribution. *The Canadian Entomologist*. 138: 531-544.
58. Cannings, R.A. 2006. Geoffrey G.E. Scudder: zoologist, conservationist, educator. 2006. *The Canadian Entomologist*: 138: ix-xix.
59. Cannings, R.A. 2006. A review of the distribution and natural history of *Apiocera barri* and *Nemomydas pantherinus* (Diptera: Apioceridae and Mydidae), two rare asiloid flies from the southern Interior of British Columbia. *Journal of the Entomological Society of British Columbia* 103: 55-60.
60. Swann, J., R.D. Kenner, R.A. Cannings and C. R. Copley. 2006. *Exaireta spinigera* (Diptera: Stratiomyidae): the first published North American records of an Australian soldier fly. *Journal of the Entomological Society of British Columbia* 103: 71-72.
61. Shelley, R.M., R.A. Cannings, P.T. LePage and K.J. White. 2006. A glomeridesmid milliped in Canada (Diplopoda: Glomeridesmidae). *Entomological News* 118(2): 199-202.
62. Cannings, R.A. 2007. Recent range expansion of the Praying Mantis, *Mantis religiosa* Linnaeus (Mantodea: Mantidae), in British Columbia. *Journal of the Entomological Society of British Columbia* 104:73-80.
63. Cannings, R.A., J.W. Miskelly, C.A.H. Schiffer, K.L.A. Lau and K.M. Needham. 2007. *Meconema thalassinum* (Orthoptera: Tettigoniidae), a foreign katydid established in British Columbia. *Journal of the Entomological Society of British Columbia* 104: 91-92.
64. Cannings, R.A. and G. Roberts. 2007. The caddisfly family Helicopsychidae (Insecta: Trichoptera) new to British Columbia. *Journal of the Entomological Society of British Columbia* 104: 89-90.
65. Cannings, R.A. and G.G.E. Scudder. 2009. *Eleodes obscurus* (Coleoptera: Tenebrionidae):

confirmation of a Canadian population and possible northward expansion from Washington State into British Columbia in the Okanagan Valley. *Journal of the Entomological Society of British Columbia* 106: 81-82.

66. Scudder, G.G.E. and R.A. Cannings. 2009. A checklist of the Neuropterid insects of British Columbia (Insecta: Megaloptera, Neuroptera and Raphidioptera) with a summary of their geographic distribution. *Journal of the Entomological Society of British Columbia* 106: 17-23.

67. Cannings, R.A., M.A. Branham and R.H. McVickar. 2010. The fireflies (Coleoptera: Lampyridae) of British Columbia, with special emphasis on the light-flashing species and their distribution, status and biology. *Journal of the Entomological Society of British Columbia* 107: 33-41.

68. Cannings, R. A. 2011. *Efferia okanagana*, a new species of robber fly (Diptera: Asilidae) from the grasslands of southern British Columbia, Canada, with notes on taxonomy, biology, distribution and conservation status. *The Canadian Entomologist*. 143: 578-593.

69. Fraser, D.F., E. Elle, C.R. Copley and R.A. Cannings. 2012. Changes in the status and distribution of the Yellow-faced Bumble Bee (*Bombus vosnesenskii*) (Hymenoptera: Apidae) in British Columbia. *Journal of the Entomological Society of British Columbia* 109: 31-37.

70. Cannings, R.A. and J. Kahanpää. 2013. *Lasiopogon septentrionalis*, a robber fly (Diptera: Asilidae) new to the European fauna. *Entomologica Fennica* 24: 113-116.

Non-refereed Publications

(scientific notes, book chapters, book reviews, obituaries, internet publications, abstracts and other articles)

1. Cannings, R.A. 1958. The Curlew Nest. *Blue Jay* 41(3): 127.

2. Cannings, R.A. 1972. An emergence trap for aquatic insects. *Vancouver Natural History Society Discovery* 1(2): 48-53.

3. Cannings, R.A. 1975. Notes on some British Columbia dragonflies. *The Victoria Naturalist* 31(7): 109-115.

4. Cannings, R.A. 1980. Field trip to Ascot Pond. *The Victoria Naturalist* 37(2): 31-33.

5. Cannings, R.A. 1980. Kings Pond field trip fascinates. *British Columbia Naturalist* 18(4): 12-13.

6. Cannings, R.A. 1981. Quick's Bottom -- an entomological experience. *The Victoria Naturalist* 37(6):113-116.

7. Cannings, R.A. 1981. *Boreus elegans*, the ESBC insect. *Boreus* 1(1): 2.
8. Cannings, R.A. 1981. Richard Guppy. *Boreus* 1(1): 7-8.
9. Cannings, R.A. 1981. New beetle for Canada? *Boreus* 1(2): 8-9.
10. Cannings, R.A. 1981. New find in Okanagan nettles. *Boreus* 1(2):9.
11. Cannings, R.A. 1981. Brooks Peninsula report. *Boreus* 2(1): 12-13.
12. Cannings, R.A. 1981. George Doerksen (an obituary). *Boreus* 2(1): 14.
13. Cannings, R.A. 1981. From Arsenic to DDT: A History of Entomology in Western Canada (book review). *Boreus*1(2): 17-19.
14. Cannings, R.A. 1982. Dragonfly Days. *Nature Canada* 11(2): 12-17.
15. Cannings, R.A. 1982. From Arsenic to DDT: A History of Entomology in Western Canada (book review). *British Columbia Historical News* 15(4): 32-33.
16. Cannings, R.A. 1982. Six poems by Robert A. Cannings. *Malahat Review* 63: 132-135.
17. Cannings, R.A. 1982. Robert Herbert Carcasson 1918-1982. *Boreus* 2(2): 12-13.
18. Cannings, R.A. 1983. Field trips handbook of the Seventh International Symposium of Odonatology, Calgary. *Societas Internationalis Odonatologica (S.I.O.)*, Calgary. 24 pp.
19. Cannings, R.A. 1983. The World Underfoot. *B.C. Provincial Museum Discovery* 11(2): 2.
20. Cannings, R.A. 1983. The Yukon Insect Project (abstract of paper). P. 8, *In* W.A. Charnetski (ed.). *Proceedings of the thirty-first annual meeting of the Entomological Society of Alberta held in conjunction with the Entomological Society of Canada, Penticton, B.C.*
21. Cannings, R.A. 1983. *Laphria ventralis* Williston – new to Canada. *Boreus* 3(1): 4.
22. Cannings, R.A. 1984. Magpies. P. 71, *In* A.F. Pater (ed.) *Anthology of Magazine Verse and Yearbook of American Poetry*. Monitor Book Co., Beverly Hills. 698pp.
23. Cannings, R.A., R.J. Cannings, and S.G. Cannings. 1984. British Columbia -- Vaseux Lake. Pp. 22-24, *In* J.C. Finlay (ed.). *A Bird Finding Guide to Canada*. Hurtig Publishers Ltd., Edmonton. 387 pp.
24. Cannings, R.A., R.J. Cannings and S.G. Cannings. 1984. British Columbia -- Riske Creek, Becher's Prairie. Pp. 40-42, *In* J.C. Finlay (ed.). *A Bird Finding Guide to Canada*. Hurtig Publishers Ltd., Edmonton. 387 pp.

25. Cannings, R.A. 1984. Flying Dragons. *Wildlife Review* 10(10): 30-33.
